Stunning Lauren mirrors Pammie and pals in sexy beach pics

RED HOT BEACHES: Pammie and Donna

By **BARNEY SAMUELS** news@sundaysport.co.uk

NOT since the glory days of Baywatch has such a sizzling sight been spotted at the seaside!

Luscious Lauren Harries conjured up memories of Pam Anderson and Donna D'Errico as she rolled around in the surf in Benidorm, Spain.

The 39-year-old former boy antique boffin – who rose to fame by appearing on the Wogan show – drew whoops and whistles from fishermen who almost fell from their boats with desire.

One gabbled later: "Ole! What a beauty!"

Last month multi-talented Lauren revealed she is turning her hand to the world of exercise and is making a workout DVD, adding on Twitter: "Watch out for my new fitness video coming soon!"

DON'T MENTION THE DOG!

Loose Women banned from discussing false

Debbie rumour

MENTION Debbie McGee to any dirty-minded person and one subject will come up – sex with an Alsatian.

The 59-year-old widow of magic legend Paul Daniels has been, er, dogged for years by false rumours that she was photographed in a compromising way with a German Shepherd.

But when Debbie joins the *Loose Women* as a regular panellist later this year, the others will be kept on a tight leash and told: "Don't mention the dog."

A source said: "Can you imagine. The talk is about dogs and Street-Porter foghorns 'AW – BUT YOU KNOW ALL ABOUT DOGS – DON'T YOU, DEBBIE...ARF, ARF, ARF!'"

"Poor Debbie would be mortified. So they're going to be told – NO dog sex talk."

Debbie is currently on the *Strictly Live Tour*,

which opened last week but will join *Loose Women* when it's over.

Debbie herself has spoken of the story, and has vehemently denied it, saying: "The Alsatian pictures are just silly rumours."

But her late husband Paul – who died in 2016 – admitted that were indeed pictures, but they were fake.

Spud-peeler ban for Liam

THIS summer's Parklife music festival has banned **POTATO** peelers at Liam Gallagher's slot.

Last year, the former Oasis frontman asked fans to peel spuds at a London gig, a jibe at brother Noel getting someone to play the scissors at a show.

Festival bosses said: "People have asked to bring in potato peelers for Liam's performance! The answer is definitely no!"

EX-footballing show pony David Beckham celebrates after finally managing to buy a Major League Soccer franchise in Miami.

He chose the Florida city partly for its sunny weather and population of Latinos, who love the game.

THE Duchess of Cambridge reveals she and Prince William have IKEA furniture at home.

Well, maybe. What she actually said was "our house is full of dodgy things with weird European names – and most of them have a couple of screws loose". Could have been talking about her in-laws.

THURSDAY

F1 bosses confirm they will no longer use sexy female models to pose on the starting grid at Grand Prix races.

It's part of a big drive to make the sport more politically correct.

Other suggestions include doing away with phrases like "Pole position" (which might offend Polish people), the "chequered flag" (which might offend Czech people) and "The Pits" (which might offend people from Stoke).

FRIDAY

IT'S reported that '90s pop sensations the Spice Girls are finally getting back together, despite now having a combined age of 786.

Of course, some of their lyrics will have to be changed to reflect their advancing years.

"I'll tell you what I want, what I really, really want."

"So tell me what you want, what you really, really want."

"I wanna, I wanna, I wanna, I wanna, I wanna really really really really wanna...no it's gone. Never mind, pet, it'll come back to me in a minute."

MEL OF A WOMAN: Birthday girl Melissa threw herself into her landmark celebrations

**EDITOR'S
GUARANTEE:**

WE absolutely GUARANTEE that this story is 100% GENUINE. EVERY fact has been checked by our senior editors and our team of Queen's Counsel barristers. This is absolutely not Fake News!

A HOT bank executive dreamed up a super-sexy way to celebrate her 30th birthday – shagging THIRTY MEN in a kinky gang-bang at a top London hotel!

Gorgeous City trader Melissa – who we are not identifying so as to avoid repercussions from her bosses and family – spent almost £5,000 on the event. And it all started with an innocent-looking advert on www.sundaysport.com

Liberated

A pal told us: "Melissa has a really high-flying job in the City and every day she deals with millions of pounds of trades. She lives at 100 miles an hour so a weekend in Barcelona was never going to cut it as a 30th birthday bash.

"We were talking about what she fancied doing for her 30th when, out of the blue, she said 'What about having sex with 30 men?'"

"I was shocked but she just

EXCLUSIVE**

said, 'Men boast of having loads of conquests – why on earth should I not be able to do the same? It's equal rights. And I love sex!'"

"She's a very sexy woman and very liberated. She's also very determined. Organising the event was half of the fun for her."

Melissa placed an ad costing £100 on www.sundaysport.com – one of Britain's leading adult websites – and was stunned to receive over 1,700 replies.

Her pal said: "Each of the applicants sent in a photo, so Mel chose 30 she liked the look of, with 10 more in reserve in case of any no-shows. That's the sort of attention to detail she's famous for."

With the participants lined up, Mel booked a suite at a posh London hotel – which we are unable to name for legal reasons – and even negotiated a 10 per cent discount!

The pal said: "Mel dropped a few of her pals' names when she was making the booking and got the hotel to shave a few quid off the price."

Wild

"She just cannot resist doing a deal. Even so, it cost her the thick end of £2,000 for the suite for the night."

On the night, Mel hired four bouncers from a top security firm to make sure there were no crashers and to keep order in the hotel suite.

The pal told us: "Melissa asked me to go along for a bit of moral support. I immediately said yes because it sounded so f**king wild."

"Just before the first guests arrived she told me she was nervous but 'dripping wet' with excitement."

"There were bottles and bottles of champagne lined up on a table and she had a fair

few glasses while we were waiting – five at least. By the time the first guys turned up she was well up for it and desperate to start."

When guys arrived, they were offered a glass of champagne and told to strip while two minor league porn stars acted as "fluffers" – wanking and sucking them to hardness.

There were four no-shows, so four lucky guys from the reserve list were called upon and made it to the main event.

Melissa lay down on the huge bed in the suite and the guys f**ked her one after the other – all wearing condoms which were supplied by Melissa.

The pal said: "They were allowed six minutes each, though most took a lot less than that after the fluffers had done their work."

"The room smelled really heavily of sex. I could not believe my friend was doing this. She kept urging them 'no slacking!'"

She seemed to be enjoying herself. She orgasmed several times and I discovered that

BIRTHDAY BONKATHON

had sex with her

THE CAKE

THE cake was made by a London bakery. The chocolate sponge affair was covered in a rich ganache and the words "30 men for my 30th birthday" were piped on in icing.

It had 30 candles on it and every guy who shagged the birthday babe got a piece of cake and a candle as a memento.

THE INVITE

MELISSA found the lucky guys for her sexy 30th bash with this advert on www.sundaysport.com

She got more than 1,700 replies and chose 30, plus a reserve list of 10 in case of no-shows.

Four reserves got lucky!

Melissa is a squirter!

"It's a good job the suites are well sound-proofed!"

"It took about two hours for all 30 men to have sex with Melissa. Afterwards, she said she was 'sore but happy'."

"The six who were on the reserve didn't go away full-bollocked, either. The fluffers lay on their backs and let the lads shag them! What a night!"

Tasty

As a finishing touch, one of the bouncers then wheeled out a huge chocolate birthday cake at the end of the orgy, bedecked with 30 candles.

Each of the 30 men who had shagged Melissa got a piece and a kiss as a tasty reminder.

The pal said: "After everyone had left, Melissa was grinning from ear to ear. She later told me that she did not mind me telling *Sunday Sport* what had gone on, so long as I didn't say anything that could identify her."

"She would get in trouble with her bosses at the bank, I think. God knows what she's going to do for her 40th!"

Kerry: I'd date lesbian over a man!

TV PERSONALITY Kerry Katona stripped down to her bikini on *Loose Women* – and declared she'd rather turn LESBIAN than date another man.

Kerry, 37, showed off her weight loss transformation in all its glory when she appeared on Friday's show in a tiny black two-piece.

The mum-of-five also told the gossiping panel she'd "rather date a woman than another man" now she's set to divorce third husband George Kay.

Kerry said: "I feel really in control and exercise has helped me with that. This is the best head space I've been in for a long, long time."

"I'm single and I think that's what I've got to concentrate on, my needs, my children. I feel strong, I feel sexy, I feel power, I'd definitely become a lesbian rather than date a man."

Doc's bus p'ss test for cancer

A CONTROVERSIAL medic has suggested men check for prostate cancer by trying to PISS over a fence.

As one symptom of the disease is a weak flow of urine, Dr Darius Garside says that a simple check can be to arc your tinkle over a high hurdle.

The doctor, sacked from the University of West Lancashire medical school for carrying out "inappropriate experiments" with undergraduates, says his test could save lives.

He said: "If you can clear next door's fence with your piss, the chances are you're in the clear. Alternatively, if you're on the bus, try pissing over the seat in front of you while sitting down. It's a cheap and easy test which could save your life."

New figures show deaths from prostate cancer have increased.

WHO IS MELISSA:

SHE'S a top executive with a major merchant bank in the City, brought up in Surrey and private school educated.

She earns over £500k a year, with bonuses, and lives in a £2million apartment in Docklands.

Sunday Sport has taken the decision not to identify her further in case of repercussion from family, bosses – or her bank's blue chip clients.

WHY DID SHE DO IT:

'I WANTED to do something no woman had possibly ever done.'

WHAT IT COST HER:

- £100 ad on www.sundaysport.com
- 4 security £250 each – £1k
- Luxury Suite at a top 5 Star London hotel – £2k
- Champagne for everybody in the hotel room – £500
- 2 rising porn stars at £500 each used as 'fluffers' – £1,000
- Condoms – £100.
- Cake – £50

Puritans deny women their right to bare

WE live in interesting times...

On the one hand, our society is under physical attack from Dark Age fundamentalists who would deny women the basic right to show so much as their faces in public.

At the same time militant feminists, spurred on by the dark mania of social media, attack and demean women who dress attractively.

We have seen walk-on girls banned from the darts and grid girls banned from Formula One.

Ads that show more than an inch of naked female flesh are defaced by Islamists and feminists alike.

This is nothing short of an assault on modern, liberal democracy.

A century after British women won the vote and Marie Stopes unleashed the joy of female sexuality with her book, *Married Love*, women's freedoms are under attack from within and without.

A century of progress is being steadily reversed.

The high priestesses of feminism – such as the incomparable Germaine Greer – find their voices drowned out by a shrill new puritan creed which tramples freedom under its stomping boots.

So we can only congratulate the bold woman who celebrated her 30th birthday by having sex with 30 men. Here, then, is **REAL** female empowerment.

Here is a woman who glories in her sexuality.

We have decided not to reveal her name, lest she become a target for censorious bigots.

So she will remain an anonymous heroine – and more a woman than any of the tinpot Millie Tants who would deny their sisters the basic right of FREEDOM!

THE elderly are being encouraged to log onto the internet in huge numbers.

No doubt this is, in many ways, a good thing as senior citizens can access a vast array of services online.

But...

Today we report on a gentleman who was innocently looking for hardcore bukkake porn but instead downloaded the latest instalment of the Jumanji movie franchise.

This is the sort of unwitting trap our elderly could so easily be lured into and why the headlong rush for "progress" needs to be tempered with a dose of common sense.

IF Cambodian police were shocked by the antics of five Brits nicked for "singing and dancing pornographically", they'd probably **DROP DEAD** with shock if they saw some of **THESE** performances!

The five Britons are among 10 foreigners arrested after a raid on a party in Siem Reap, near the tourist destination of Angkor Wat.

Cambodian cops released pics online that appeared to show clothed and laughing tourists imitating sexual positions.

It's believed the partygoers fell foul of a crackdown on foreign tourists – and expats – wearing bikinis in public, and expat-run pub crawls in Siem Reap, as police try to prevent their country becoming the next Thailand.

But while cops in the Far East may slap on the handcuffs for a bit of dirty dancing, the authorities closer to home are a bit more tolerant.

Because, as you can see from these amazing pics from around the Med, once the booze starts flowing, inhibitions and clothes are soon shed.

Spacemen put on pee & poo diet

BOFFINS have come up with a novel way of turning human POO into a food source that could be used by astronauts on missions to Mars and beyond.

Using microbes to break down solid and liquid waste, experts created a protein and fat-rich substance similar to MARMITE.

Prof Christopher House of Pennsylvania State University said: "We envisioned and tested the concept of simultaneously treating astronauts' waste with microbes while producing a biomass that is edible either directly or indirectly, depending on safety concerns."

"It's a little strange, but the concept would be a bit like Marmite or Vegemite, where you're eating a smear of 'microbial goo'."

Food supply is a huge hurdle when planning lengthy space flights. Growing food on board a spacecraft is energy and water intensive, whereas carrying food from Earth takes up room while increasing mass – and fuel costs.

SO I asked this bloke what he did for a living. He said, I sell manure. I said, I bet you're rolling in it.

Brits too shy to ask for kinky sex

A NEW study found that one in four Brits in a relationship has a secret sex act in mind that they want to try — but haven't yet asked their partner.

The survey, which was commissioned by sex toy brand EdenFantasys, revealed quite a bit of steamy data about what couples desire and get up to between the sheets.

And as many as 40% claim themselves to be a "kinky" person, while 36% say they have a specific kink or fetish.

Using sex toys is the most popular sexual act, with 49% open to this, and 34% said they want to experiment further with sex toys with their current partner.

Role-playing is another popular bedroom activity, with 29% saying they're interested in it, and 24% reporting they want to give it a try with their current lover.

HOUSE OF HORROR: Home where Alexandra fed on love rival

WIFE EATS HUBBY'S MISTRESS WITH MUSHY PEAS

A 30-STONE wife murdered her hubby's mistress, chopped up the body and stored the dismembered remains in the family deep freeze, police say.

Alexandra Verakova, 42, hit the roof when she learned that 45-year-old hubby Alexis was having it away with a waitress who worked in a café near their home.

The wronged missus stalked Tatiana Marinsky, 30, as she walked home from work and twatted her over the head with a crowbar.

Strangling

Alexandra then dragged still-breathing Tatiana into her car, drove her home and killed her in the cellar by strangling her with a washing line.

She then chopped her up and popped the flesh into her freezer. Cops revealed she later served up "several portions" of Tatiana with potatoes and mushy peas to cheating husband Alexis and herself for dinner.

She was eventually

By **BRAD CHADWICK**

arrested after Tatiana was reported missing by worried family members and a witness reported seeing Alexandra's car near Tatiana's café.

Police say that Alexandra, who has no previous convictions, confessed to the crime "almost immediately" and gave detectives a full description of what she'd done.

She'll appear in court on Tuesday for a preliminary hearing.

Neighbours say that Alexis Verakova has been "incomprehensible through drink" since his wife's arrest.

WE'RE NUMBER ONE FOR S

KYM MARSH

IN 2016, a sex video of Kym Marsh – who plays Michelle Connor – was touted by hackers.

The techno-thieves were after a cool £30,000 for the explicit tape but found no takers.

Devastated Kym called in police after the explicit footage – which showed Kym performing a sloppy sex act on a man – was leaked online.

Writing in the column she writes for some witless celeb mag, 41-year-old Kym said: "It's been one of the worst weeks of my life and I won't rest until the person is caught."

The former Hear'Say singer continued: "I can't say too much because the police are investigating and I don't want to affect anything that they are doing."

"It's really important that whoever is behind this is caught."

The leak came to light just days before she won the Best Female Dramatic Performance award at last year's British Soap Awards.

A pal said at the time: "Kym was delighted about winning the award and won't let this spoil what has been a great year for her on the Street."

CORRIE SEX
TAPES BOOST
RATINGSBy **SIMON DEAN**simon@sundaysport.co.uk

LEAKED sex tapes and pictures may cause despair and anguish for those whose supposedly-private intimate movies and images become hits on the electrical internet.

But it appears to be good news for *Coronation Street*!

Because insiders say the ITV soap has seen a ratings boost after FOUR of the show's stars had their private XXX home movies leaked online.

The latest *Corrie* star to fall foul of hackers is 27-year-old Melissa Johns.

Melissa, who was born without a forearm, was devastated when intimate photos were leaked on the internet.

The beauty, who played Imogen Pascoe in the ITV soap's lesbian love triangle, posed nude and performed a sex act – reportedly with boyfriend Mat Swain, 26 – in the snaps.

Intimate

But Mel is not the only *Corrie* star whose intimate moments have become public property.

Kym Marsh, Faye Brookes and Shayne Ward have also had their private XXX images leaked online.

And while it's bad news for them, it's good news for ratings as dads tune in to *Corrie* to get a look at the unwilling sex performers.

A source said: "Privately, Coronation street bosses are cock-a-hoop at what appears to be an uplift in viewing figures."

"At least we know that *EastEnders* can't compete on this level. Who wants to see Dot Cotton's sex tape?"

SHAYNE WARD

MORE than one million people have watched a leaked SEX TAPE of Shayne Ward wanking himself off in 2016.

Social media lit up with pictures from the X-rated clip, with fans describing the actor's performance as 'well horny' and saying the former *X Factor* star is 'incredibly well hung'.

Shayne, 33, who plays Aiden O'Connor on the cobbles, reckons he was tricked into filming himself having some alone time.

A source said at the time: "This video is years old. Shayne was single at the time and it happened when he was on tour with *War of the Worlds*."

"He's so embarrassed this has happened. The conversation between him and the supposed woman have left him hugely redfaced."

"He only realised he had been catfished after the video emerged."

A catfish is someone who pretends to be someone they're not, using Facebook or other social media to create false identities, particularly to pursue deceptive online romances, or to trick someone into wanking for the webcam.

FAYE BROOKES

FAYE, 30, who plays lesbian Kate Connor on the cobbles, called in cops after hackers stole an X-rated clip from a phone.

The saucy clip shows her dancing about starters before performing an act of expert fellatio on an unnamed fella.

The footage has been viewed hundreds of thousands of times by goggle-eyed fans.

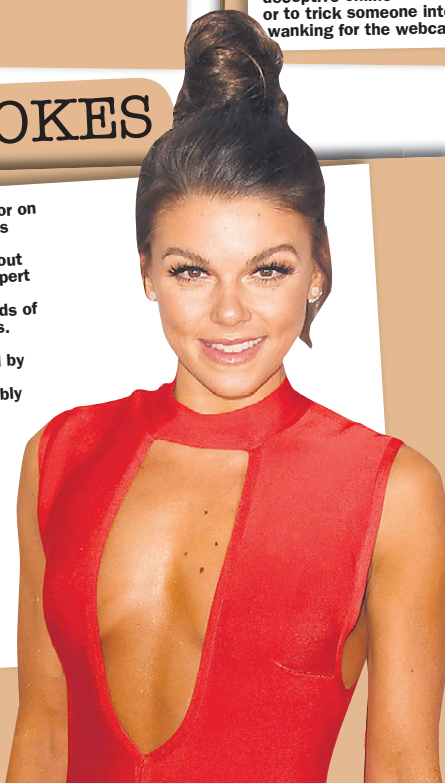

Faye, who was left horrified by the embarrassing theft, is being comforted by boyfriend Gareth Gates.

A source said: "Faye is understandably devastated. Like any woman, she will be mortified that this footage is a few clicks away."

"It has somehow been accessed by someone who doesn't care how much upset they cause."

Faye is no stranger to controversy, as her *Corrie* character Kate Connor was recently involved in a lesbo moment on-screen.

She shared a kiss with married best pal Rana Nazir, played by Bhavna Limbachia.

MELISSA JOHNS

AFTER her initial shock at the images – involving sex acts with a piece of fruit – being leaked, Melissa hit back at the creeps responsible and bravely put a positive slant on the affair.

The 27-year-old stunna said she hopes the pictures show people that disabled people "send photos, have sex lives and engage in intimate exchanges".

Melissa said: "I am proud of my body. It is beautiful."

"And I am entitled to enjoy it and to have a personal and a romantic life just as all women – of all different body shapes and sizes – are entitled to do."

"If any good has come out of this, it is to show that women with all different types of body shapes and sizes send photos, have sex lives, engage in intimate exchanges in the same way as everybody else."

"My body is unique, beautiful, and representative of what is still a very under-represented demographic of people in our society today."

"So if this goes some way to dismantling discrimination and showing that disabled bodies can be beautiful and even sexual, then that is a positive thing."

Orbiting

Dr Stanley O'Toole, of the British UFO Monitoring and Awareness Forum, says that mega-advanced moonmen are probably using high-tech teleportation beams to zap the bins and transfer them into their orbiting spaceships.

Dr O'Toole – believed to be the only person in Britain banned from the Jodrell Bank radio telescope in Cheshire – said: “There are almost certainly no dogs in space so cloning is the easiest way for space aliens to get canine companions.

“It may sound bizarre to us, but the way aliens would clone dogs would be by collecting their poo, so dog-poo bins are like dog DNA libraries where the aliens can get genetic material from different breeds and combine them into the perfect space dog.”

But Dr O'Toole's theory was poo-pooed by Gerald Gryce of the rival British UFO Monitoring and Research Foundation.

Mr Gryce raved: “This is poppycock. These bins are being stolen by Albanian shit gangs but everyone is far too politically-correct to say so. Alien poo theft indeed!”

‘Vaginal sex’ irks trannies

THE expression “vaginal sex” should be **BANNED** – in case it upsets trannies!

That's the barmy idea that popped up on a feminist website last week, courtesy of Yank writer Suzannah Weiss.

Calling the expression vaginal sex “extremely heteronormative”, Weiss trombones: “The term ‘vaginal sex’ can also be exclusionary toward trans and gender-nonconforming people who don't identify their genitals using this term.

Last night common sense campaigner Dave Preece raged: “Sweet f*cking Jesus! This woman's poor husband must be at his wits' end if she's writing this sort of bilge all day rather than making his supper.”

Students hit by mystery Amazon sex toy parcels

POLICE and Amazon are looking into who is anonymously sending SEX TOY packages to university students.

The unsolicited goods – which also include cameras, vinyl record players and dog toys – arriving in Amazon packaging with no explanation sparked fears at student unions in Canada that a pervert is at work.

On the company's website, Amazon says it notifies its sellers when a customer places an order.

But the online shop says the sellers behind the mystery packages didn't get the student union names and shipping addresses from Amazon.

In a statement they said: "This behaviour violates our policies. We remove sellers in violation of our policies and work with law enforcement to take appropriate action. Consumer trust is one of our top priorities."

Around 10 university student unions across Canada have been targeted since Autumn.

FRED'S DISMAY OVER MOVIE DOWNLOAD MIX-UP

WARNING: OAP Fred at his home computer

I wanted French porno 'Je Man Jus' **NOT** f**kin Jumanji

GROT: Proper porn action and (bottom) the latest Jumanji flick

WHEN pensioner Fred Watts heard about a French bukkake movie called *Je Man Jus* he used the web skills he'd learned at an Age Concern workshop.

The retired plasterer, who bought his first PC at the ripe old age of 75, was soon tapping away on his £15 second-hand 1998 computer in search of the spunk-splattered Gallic classic.

After a three-hour search and two more waiting for what he thought was the correct film to download via his dial-up connection, he

SUNDAY SPORT EXCLUSIVE
By SIMON DEAN

settled down for what was described as a "ejaculatory extravaganza".

So imagine Fred's dismay when, instead of hard cocks spurting gallons of spunk into the faces of porn babes, he got blurry footage of The Rock, Jack Black and Karen Gillan in a jungle!

Widower Fred, of Slattocks, near Middleton, Manchester, told *Sunday Sport*: "I had somehow managed to download a pirate copy of *Jumanji: Welcome to the Jungle* – talk about disappointment!"

"I cannot believe how easy it was for someone

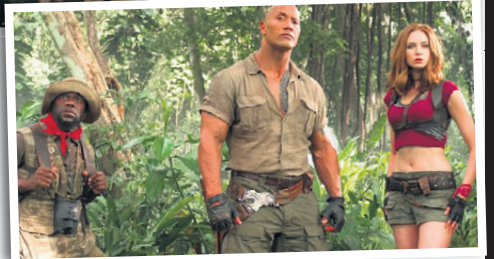

innocently looking for porn to accidentally download a bloody kids' movie.

"If nothing else, I'm now guilty of copyright theft – an unwitting accomplice in a crime that threatens future film production and investment in the movie industry."

"I'm sure *Jumanji* is a perfectly passable movie but when you're expecting hardcore French bukkake, it's a load of ruddy shite!"

Fred contacted his internet provider, who he said were, "pretty unhelpful bordering on rude".

He added last night: "I've spoken out to try and warn people about the pitfalls on the internet, especially for the elderly."

Teacher, 36, faces jail over anal sex with teen pupil

A FORMER chemistry teacher has negotiated a plea deal after being charged with having ANAL sex with a 17-year-old student.

Tiffany Geliga, 36 (left), of Port St. Lucie, Florida, pleaded no contest to two counts of sexual assault by someone 24 or older on

someone between the ages of 16 and 17. Another count of sodomy was dropped as part of her plea.

She agreed to surrender her teaching licence and to stay away from the teenager and she now faces up to 10 years in prison.

Geliga was arrested and charged

in May last year, after a student's mum contacted Port St. Lucie High School administration about texts between her son and the teacher.

The student, who was being tutored by Geliga, told police he had sex with the teacher on two separate occasions.

On one occasion he inserted his hard teenage cock into the teacher's well-lubricated anus.

And during a controlled call monitored by police officers, Geliga corroborated that story.

Though Geliga negotiated a plea, a judge will still decide her sentence.

Tyre plant man killed in recycling shredder

A MAN died after he fell into an industrial TYRE SHREDDER while working at a recycling plant.

Byron Jones, 26, met a gruesome end when he got caught up in the machine on Friday night.

He'd only been on the job for four days at Genan Inc in Houston, Texas, when his grisly death occurred.

His body, or what was left of it, wasn't discovered until after his co-workers reported him missing when he failed to turn up for work the next day.

The attorney for Jones's family plans to sue Genan Inc, the largest tyre recycling facility in the world.

Andrew Seerden, the attorney, said: "We are currently investigating the incident and expect to file a lawsuit in order to hold all negligent and grossly negligent parties fully accountable for this."

Details leading up to his death are unknown but The Occupational Safety and Health Administration are investigating the death.

Paul Francis, an attorney representing Genan, Inc declined to comment.

Mr Jones leaves behind a wife and young daughter.

Nude robber ruled a loon

A JUDGE says a man who robbed a bank, stripped naked and ran down the street throwing stolen money is too bonkers be held responsible for the crime.

Judge K. Michael Moore found 26-year-old Alexander Sperber not guilty by reason of insanity following a 25-minute trial.

Sperber will remain in jail while receiving treatment for lunacy.

Prosecutors said a dye pack exploded as Sperber ran from a Regions Bank in Fort Lauderdale, Florida in July. Covered in red dye, he shed his clothes and tossed away cash.

He told cops a chip in his head compelled him to rob the bank, so that he could pursue his career as a comedian. He then shot himself and yelled.

MY WIFE **NEVER** WEARS CLOTHES!

By BRAD CHADWICK

news@sundaysport.co.uk

FOR many married men, seeing the wife naked is a dubious pleasure indulged only after strong drink and on special occasions.

But not Graham Hind – because his missus Gail NEVER wears clothes!

Gail, 47, has a near-phobia of wearing togs and seldom puts on clothes at home.

Now she gets to be bare all the time after Graham and Gail gave up the nine-to-five grind five years ago and went to run a naturist campsite in Pula, on the Croatian coast.

And the long-time nudists are loving the clothes-free life in the former Yugoslavia.

Graham, 56, beamed: "People tell me I'm the luckiest man alive as my wife is almost perpetually naked. Certainly from April to October – because the winters here can be a bit chilly."

Naturist

The couple, originally from Lowestoft, Suffolk, fell in love with naturism after watching a pornographic movie based at a naturist camp.

But they insist their outfit is not a front for sex-people antics. Gail told *Sunday Sport*: "We are not swingers, even though I've had plenty of offers over the years."

"I just like being naked and love doing my job naked, too."

"And I'm quite flattered that, aged 47, Graham still likes taking pictures of me in the buff."

"I love the freedom of being naked – clothes suffocate me!"

Gym nutter gave cock a workout

AN oddball was nicked after residents at an apartment complex caught him working out in the community gym stark bollock NAKED.

Cops arrived at the flats after a woman saw tenant Kerry Haynes in the buff. Police say a maintenance worker at the complex also saw Haynes, who was riding an exercise bike in the nude.

The worker asked the man what he was doing and he replied, "working out".

Haynes allegedly left the gym to return to his apartment but was seen lying in the grass masturbating by the community pond.

Authorities that Haynes also urinated in the swimming pool at the Andover Place Apartments in Orlando, Florida.

Cops found Haynes and escorted him back to his apartment where they found his clothes on his living room floor.

He was arrested on a charge of indecent exposure. The flats' owners said Haynes had been performing naked acts for weeks.

Perv nicked for whopper toss at Burger King

A MAN was arrested for yanking his WHOPPER at a Burger King.

One of the restaurant employees who witnessed the tugging incident told police that 24-year-old Khaled Khalil (above) kept entering and exiting the diner, and when he'd get inside, he would begin masturbating.

The witness also told cops Khalil's genitals were fully exposed at the eatery in Lincoln, Nebraska. When officers arrived at the scene and tried to deal with the suspect, they said he appeared to be intoxicated and wouldn't speak to them. Khalil was arrested and taken to jail for indecent exposure.

Police reported he has no previous convictions and is not a registered sex offender.

It is not known if Khalil ordered any food to go with his whopper.

COUNTDOWN RACHEL IS SHOWERED WITH SPUNK!

WET DREAM: Rachel's message on show

By SIMON DEAN simon@sundaysport.co.uk

SEXY brainbox Rachel Riley was showered with SPUNKY filth after spelling out a saucy message on Countdown.

Contestants must identify words within a collection of letters and one spotted "squirt", leading Rachel to spell it out on the board. In doing so, she left out the letters OK and I, creating the message: "OK I squirt."

"Squirting" is a colloquial term for female ejaculation.

The idea of ladywater gushing from Rachel Riley's privates sent Twitter into a manmuck meltdown. One user posted a clip from a cartoon showing a character squirting cream from a giant éclair over a lady. Another showed a picture of a spunk-stained South Park character. A pal of Rachel said: "Rachel is a mathematician and TV star – not some kind of porny spunk target."

'Pud-puller' had stolen chocolates in his pants

A MAN arrested for indecent exposure and masturbating in public was found not guilty after his defence team proved he was trying to remove stolen chocolate bars and Skittles from his grundlees.

Eugene Childs, 59, had just swiped the sweets from a store right before the alleged incident occurred.

The wheelchair-bound military vet went to a nearby clinic and tried removing some of his haul, but was spotted by two employees.

The workers pulled out their mobile phones and began filming Childs, before asking him to leave.

He was caught on tape fumbling with M&Ms and other treats.

A woman later claimed to have seen Childs masturbating for about a minute.

In court, defenders argued that this was a big misunderstanding. They said that his baggy pants had simply slipped down during a confrontation with the workers and left part of his backside exposed.

Jurors apparently believed them and found Childs not guilty.

But Childs did wind up getting sentenced to six months behind bars for battery after he spat at a woman.

Dozy burglar nicked after calling cops!

A MAN was arrested on burglary charges after he accidentally called cops from inside a building he'd just broken into.

Officers arrived and found a glass door to the building in Ephrata, Pennsylvania, smashed.

After searching the building, police found Brendan Alan Weaver, 28 (above), in a hallway.

Officers described Weaver as "naked and clearly under the influence of a controlled substance."

The office area of the building was reportedly ransacked, with damages of around £3,000.

Police believe Weaver accidentally called 911 from an office phone as he ransacked the building.

WHO CREAMED OVER LISA'S BOOBS?

SUNDAY Sport PICTURE SPECIAL

By BRAD CHADWICK in Benidorm

DO you want crushed nuts with that?

Busty reality TV babe Lisa Appleton had onlookers drooling as she got all messy while slobbering down an ice cream in the cheerful Spanish resort of Benidorm.

And even though she was beside a busy road, the 49-year-old former *Big Brother* star went topless, showing the world her beautiful big busters.

A pal said: "One young guy on a moped was so distracted by Lisa's boobies he crashed into a donkey!"

Lisa is a massive fan of Benidorm.

Last summer she was spotted in the resort with friend Danniella Westbrook, 44, and posed with seaweed on her teats.

10 things you didn't know about DAVID WALLIAMS

HIS best-selling kids' books have been pulled from some high street stores after David Walliams, 46, became embroiled in the Presidents Club scandal.

For no better reason, here are 10 things you didn't know about the lofty entertainer...

1 WALLIAMS started out writing *The Ant & Dec* show after he had graduated from the University of Bristol. And he now works alongside the presenting pair on *Britain's Got Talent*.

2 DAVID raised a whopping £1million for Sports Relief in 2011 when he swam 140 miles down the River Thames – when he also rescued a Labrador dog that had fallen into the river!

3 HIS real surname is Williams. When he joined actors' union Equity, there was already a member called David Williams so he changed the 'i' to an 'a'.

4 LITTLE Britain started out on BBC Radio 4 where it ran for two years before transferring successfully to the telly.

5 WALLIAMS has written 10 children's books and sold 12.5m copies worldwide.

6 HIS little sister used to dress him up in girls' clothes – years before he put on dresses for sketches on *Little Britain*.

7 DAVID cited actor Tom Baker – the fourth Doctor in the *Doctor Who* series – as his role model.

8 WHEN he split from his model wife Lara Stone, benefits scrounger Josie Cunningham, 27, messaged David on social media offering to "go down on you till my lips bleed".

9 WHEN CBeebies relaunched kids' show *Teletubbies* last year, David said his job offer to play a Voice Trumpet was "too good a thing to turn down".

10 IN 2013, the *Sport* reported David's neighbours had grown tired of his shagging sessions – which they could see every bit of as he loves to bonk with the curtains open.

IS THIS BRITAIN'S MOST OFFENDED WOMAN?

Last week we told of her 'racist' Creme Egg complaint, but she's been outraged by much, much more...

TROUBLED MIND: Meadow Sugarsweet

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

news@sundaysport.co.uk

Jeremy Corbyn at Prime Minister's Questions.

We seem to be totally surrounded by ultra-sensitive snowflakes, perpetually in a state of high dudgeon over some perceived breach of the ever-shifting code of political correctness.

But few can match professional hump-getter Meadow Sugarsweet.

Last week *Sunday Sport* told you how the 30-year-old "chair" of the Melting Pot Community Foundation took umbrage over "racist" white Cadbury's Creme Eggs.

But Creme Eggs were not the first target of "non-binary pansexual" Sugarsweet's deranged ravings.

We've had a look at some of the loon's previous campaigns:

WHITE CREME EGGS ARE 'RACIST'

Fury as they're worth more than brown ones

SHELL-CHOCKED: Meadow's rant in last week's story

WE live in an age where just about EVERYTHING annoys some little entitled twat somewhere.

Over the past week, we've seen walk-on girls banned from the darts and pit lane girls banned from Formula One – all thanks to gripes from militant feminists.

A headbanger vegan got in a froth on Jeremy Vine's Radio 2 slot when he spotted the host had a ham sandwich for his lunch.

Agitated

Elsewhere, anti-racism campaigners stormed a Winston Churchill-themed London café.

And yet more feminists got agitated after Labour MP Emily Thornberry got a bit of rough and tumble when she stood in for

McCOY'S

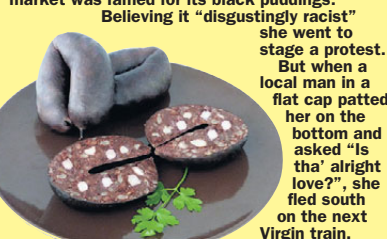

FOR many folk, McCoy's crisps are the king of the potato snack – the thick, ridged savoury is ideal to soak up an excess of ale during an all-day session.

Not for Meadow Sugarsweet. She raged in 2013: "The use of an Irish name on a potato product is offensive to all people of Irish descent who suffered under British imperialism during the Irish Potato Famine."

A source at the Irish Embassy described her at the time as a "fekin' eejit."

BLACK PUDDING

UNTIL 2015 Sugarsweet had never been north of St Albans. But in that same year she travelled to Bury, after hearing the Lancashire town's market was famed for its black puddings.

Believing it "disgustingly racist" she went to stage a protest. But when a local man in a flat cap patted her on the bottom and asked "Is tha' alright love?", she fled south on the next Virgin train.

MINSTRELS

THE hard-shell choccy treat has been a favourite for decades. But in 2014 Meadow called for a Europe-wide ban, claiming they "harked back to the bad old days of *The Black and White Minstrel Show*".

The telly show – where white performers wore an Al Jolson-style "blackface" – was forced off TV in 1978 thanks to race agitators.

Meadow's campaign to have Minstrel sweets banned fell flat – with her online petition attracting just FOUR signatures.

FAGGOTS

MEADOWSWEET took up the anti-homophobia cudgels when she learned about faggots.

Made of meat off-cuts, offal and herbs, the delicacies go great with peas, mash and gravy.

But the word faggot is also an offensive word for a homosexual – provoking Meadow's ire. However, when she learned faggots are quite popular in the Black Country, she dropped her opposition – claiming it would be wrong for her to criticise any aspect of Black culture.

PUFF PASTRY

PUFF pastry is a popular flaky light pastry containing several layers of butter.

But it does not find favour with Sugarsweet, who believes the confection is homophobic.

She stood with a placard outside a bakery near her home in Shoreditch, east London, yelling: "Down with homophobic baked goods!"

Her demo came to an end when a member of the local homosexual community pointed out that gay people are "pooves" not "puffs".

LAST spring, Meadow went on her local radio station to complain about the sale of plants from the genus *Viola* in her local garden centre.

In her troubled mind, brightly-coloured pansies were being sold merely to provoke the local not-as-other-men community.

Her picket of the garden centre came to an end after newly-married owners, Nigel and Tarquin, invited her to their on-site café for ethical camomile tea and fairtrade quinoa.

DEANO**ON SUNDAY**

Halfwits of today are tomorrow's leaders...

IMAGINE you'd fled civil war and poverty in your homeland and some friendly nation had taken you in, housed you, fed and clothed you and educated you.

You'd feel pretty grateful to your hosts, wouldn't you?

Perhaps this gratitude would manifest itself in a deep respect for your host's traditions, culture, history and heroes.

Not if you are a nasty little creep called Halimo Hussein.

Ordinarily, I would not use the expression "nasty little creep" about a lady – it's not a very British thing to do or say.

This leftie agitator's family fled Somalia and were taken in by Britain. Halimo was given all the advantages listed above.

Perhaps we should be thankful she did not tread the path towards crime and disorder chosen by so many of her compatriots, instead taking advantage of an education at William Morris Sixth Form in Hammersmith and latterly at the School of Oriental and African Studies University of London.

Where she remains a student. At the age of 24.

Ms Hussein, who is also a fan of attention-seeking sex maniac Russell Brand, came to national attention last week when she and a rabble of left-wing nimcompoops stormed a Winston Churchill-themed café.

They urged shocked diners to boycott the eatery for celebrating "unashamed colonialism" and demanded that the owner then apologise to the local community in north London.

Greasy

They demanded the café stop serving "The Winston", a traditional full English breakfast, shouting: "Churchill was a racist!"

Now, I'm not entirely sure if a greasy fry-up is a fitting tribute to our greatest national hero and I'm sure Winnie's opinion of foreigners would raise eyebrows on Channel Four News.

But these Marxist f**ktards seem to forget that without Churchill they would not have the freedom to express their views.

Without Churchill, Britain would not be a safe haven for those fleeing the armpit of Africa.

It would be a province of the Nazi Empire.

And those Nazis held opinions that made Winston Churchill look like Diane F**king Abbott.

Of course, we might be tempted to dismiss Hussein and her band of Corbyn-worshipping halfwits as mere youngsters, who will soon grow out of their leftie phase.

But Hussein is "Co-President of Equality and Liberation" at her university – a student politician.

And today's student politicians are tomorrow's grown-up politicians.

If we are not careful, ungrateful twats like Hussein will soon be running the country.

And that's almost as scary as Panzers on The Mall.

PREGNANT SCHOOL MISS CAGED FOR SHAGGING TEEN PUPIL

POSH: Miss's school

A SCHOOL teacher with a bun in the oven has been banged up for 15 months after repeatedly bonking a teen pupil.

The 34-year-old former Miss will give birth to her child behind bars when she is due in May. She pleaded guilty to five counts of sexual intercourse with a person under her care over three months in 2016.

Text messages revealed how the two of them talked about what had happened.

The teacher says she could not eat, sleep or breathe and despised herself "for having hurt you", she wrote.

She later described herself as a "f**king monster" and spoke of her terror of the story "getting out".

Oral

The Miss – formerly a teacher at the Sydney Grammar School in Australia – cannot be named to protect the identity of the student.

Earlier, the New South Wales District Court was told the pair started meeting in relation to a school activity at first but subsequently began

text messaging each other.

They then had oral sex together on the school grounds before having full sex at her own home.

The court heard the pair even had it off in a store cupboard.

After the relationship turned sexual, she started sending gifts to the boy and encouraged him to write sexual fantasies for her.

Judge Paul Lakatos sentenced the woman to at 15 months in prison, saying: "I consider no other alternative to a full custodial term."

The father of the baby is the woman's husband and not the 17-year-old lad she shagged.

Williams said: "She's 38" and is "all worn out down below".

Daniels hit back: "My vagina is a well trained beautiful athlete."

'Chicken' shit w*nked by window

A METH addict was arrested after cops found him walking around in circles acting like a CHICKEN in a car park. Johnny Spratt Jr (right), 28, is also suspected of prowling outside the home of a woman who reported waking to hear moaning coming from outside her bedroom window.

The woman checked her surveillance system and saw a man masturbating in the yard. She said she shouted at the stranger and he fled.

The video also showed the man on the property for about an hour playing with himself in front of another window at the back of the home in Silver Springs, Florida.

The Sheriff's Office published a "CREEPY GUY ALERT" with an image of the prowler on its Facebook page, seeking the public's help in finding the man.

Spratt was caught after staff at Wal-Mart supermarket reported him "making like a hen" in their car park. He has been charged with possession of meth and caged.

AFTER what he freely admits was "heavy" festive period, drinker Steve Bassett embraced sobriety for the so-called Dry January.

And for the first month of 2018, not a drop of liquor passed the 28-year-old's lips.

Steve, of Stoke-on-Trent, said: "I thought I'd be rattling but it was quite good, to be honest. I didn't miss the piss one bit."

"I had loads more energy and took up some of my old hobbies, like fishing. I even scuttled the wife a couple of times."

Rubber

But on Thursday and the arrival of February, Steve decided to step off the wagon and go for a nice, quiet, celebratory pint...

The next thing he knew, it was Saturday morning and he was waking up in a fetish dungeon dressed in bondage gear as a transvestite – 45 miles in Manchester!

Steve said: "F**k alone knows what happened! I remember the first pint going down and it hardly touched the sides."

"But the thing was, after a month off the ale, the booze hit me like a f**king lorry."

"I can sort of remember a few things, like getting on a train, but I

STEVE SOBER

SOBER SPORT: Steve went fishing during his Dry January

can't remember putting on a rubber dress. You'd think I'd remember that.

"When I came to, someone took my photo. I was furious at first, as I didn't want the missus to find out I'd been in some kind of perty club – but then I asked this guy to send me the picture."

"If I ever get tempted to back on the piss, I'll look at this snap to remind me what happens."

"I think I got bummed, too. What a bloody night!"

DEVELOPERS

MY FIRST TIME...

THEY always say you remember your first time... well, we've taken to the streets to find out if it's true.

Each week Britain's babes will spill the beans on when they popped their cherries - and share the spicy details of some other first-times, too!

Here we delve into the sexy secrets of two saucy stunnas from Hull...

FIRST HANDJOB

LARA: I was 16 and watching TV in my boyfriend's bedroom when he grabbed my hand and pushed it down his pants.

There was no warning, he just did it. It was the first thing I'd ever done, but I soon realised how to do it and I was pumping away like a maniac.

He came in under a minute and it went all over my hand, which was a bit disgusting. I wasn't that impressed with it really, it wasn't very romantic.

CHARDONNAY: I was in my local park one afternoon when I was 16 and got chatted up by a guy there, he was the first guy I gave a handjob to.

We started kissing and I noticed he'd pulled his willy out, so I got hold of it and started tugging him off.

It was nice seeing how much pleasure he was getting from it and he didn't even make the 30-second mark before he came. It went all over my face but I didn't mind.

FIRST BLOWJOB

LARA: I gave my first blowjob to my first boyfriend when I was 16. We were lying down under his bed covers when he just pushed my head down and I knew what he wanted.

I'd read about how to perfect your technique in magazines, so I had a good idea what to do.

It took two or three minutes for him to come and I didn't really enjoy it because it seemed a bit unhygienic. When he came, I ran to the toilet to spit it out.

CHARDONNAY: I was also 16 when I gave my first blowjob. I was in my boyfriend's bed and he asked me if I'd mind doing it.

I'd watched a fair bit of porn so I had a good idea what to do, I loved doing it because it felt good and turned me on.

He came after just over a minute and I swallowed the lot, it tasted of banana.

I was really pleased I did it, because he returned the favour!

FIRST TIME

LARA: I made my boyfriend wait two months before we had sex for the first time when I was 16. I planned to do it but my fella had no idea it was his lucky night.

We did it in my bed and it went well, I enjoyed it. He knew what he was doing and lasted for two hours before he came.

I'd had such a good time I couldn't wait to do it again. I was pleased it didn't hurt like all of my friends said it would.

CHARDONNAY: My first time was when I was 17 with my first boyfriend and we did it up against a wall at a fairground.

He was a virgin as well, so it really was a case of the blind leading the blind, neither of us had a clue.

He came in about five minutes and I didn't enjoy one bit of it. It hurt and was awkward, it definitely wasn't a patch on what I thought it was going to be like.

FIRST HUGE WILLY

LARA: Just after I turned 20 I was dating a guy who has the biggest willy I've ever had, it was virtually 12 inches long.

I was really nervous when I first saw it because I thought he'd break me in two, but he agreed to be gentle with me.

It took hours to break me in with it but after that it was all pleasure, pleasure, pleasure. Size definitely matters, bigger is definitely better.

CHARDONNAY: I had a one-night stand last month and he had the first big one I've ever had.

It was 10 inches long and I was terrified when I first saw it, I wasn't sure I could go through with having sex with him. But I did and it was the best I've had in ages.

The size made a huge difference and I had several multiple orgasms.

FIRST TIME BUM FUN

LARA: I've heard far too many horror stories about bum sex being extremely painful to do it yet.

My best mate did it and she

It took hours to break me in - but bigger is better!

couldn't go to the toilet for about a week because it was just so painful.

One of my ex-boyfriends tried to put it up there without asking me and I told him no chance. I doubt I'll ever try it.

CHARDONNAY: I have to disagree with you on this one, because I tried it on the advice of a friend and I absolutely loved it!

My then boyfriend couldn't believe it when I told him to put his willy up there and I've never seen him so excited.

It felt a bit strange at first, but then I got more and more turned on and ended up shouting at him to bang me harder.

We both had amazing orgasms and I've done it a few times since and enjoyed it just as much.

FIRST TIME DRESSING UP

LARA: The first time I dressed up for sex I bought some black lacy underwear and put it on for my boyfriend. It was

something I knew he'd like and he nearly keeled over with excitement.

We wasted no time in role-playing and we had sex for about four hours. It was brilliant fun and I think it works so well because it makes you feel sexier.

CHARDONNAY: When I was 17 I dressed up as Wonder Woman for my boyfriend. It was Christmas and I wanted to give him a nice treat.

My friend had done it for her boyfriend and it went down a storm so I thought it was worth a try.

He just grabbed hold of me as soon as he saw me and threw me on the bed and the rest of the night was just as much fun.

well until a policeman turned up and threatened to nick us if we didn't scarp! That was extremely embarrassing.

FIRST SEX TOY

LARA: My first sex toy was a Rampant Rabbit my friends got me for my 18th birthday. I was single and I think they felt a bit sorry for me.

The first time I used it I was amazed at how effective it was. It wasn't as good as the real thing but it still gave me a nice orgasm in under 10 minutes.

CHARDONNAY: My first toy was a vibrator called the Cliterate. My ex bought it for me and it gave me the first orgasm I'd had in months when he used it on me!

It was miles better than he was and having sex with him afterwards was a bit of a letdown.

FIRST TIME LIVING OUT FANTASY

LARA: The first fantasy I lived out was when I was 18 and turned up at my boyfriend's house wearing just a coat.

When he realised, he threw me straight onto his sofa and rogered me senseless.

We moved into every room in the house after that, it lasted about three hours in total. It was just as good as my fantasy.

CHARDONNAY: I lived out my fantasy last year when I had sex with my boss in his office. I was working in a hotel and had sex with the duty manager.

We'd been flirting for ages and one day I started kissing him and that was that.

We did it on his desk and knowing that someone might walk in and catch us was a big turn-on.

NATALIE DENNING

By SIMON DEAN

simon@sundaysport.co.uk

NATALIE was born on New Year's Day 1983 and found fame, aged just 20, after romping with Hollywood star Leonardo DiCaprio.

And then telling the world about it!

The Worcester babe also featured on the TV reality series *Poor Little Rich Girls* and went on to pose topless in a string of lads' mags.

She eventually graced the pages of *Sunday Sport* – winning an army of fans.

And Nat also carried on with the celebrity shagging,

reportedly bonking Blue star Simon Webbe, former *Hollyoaks* actor Gary Lucy and playboy Calum Best.

Soon stunning Natalie became a reality show fixture with a central part in the ITVBe series *Life On Marbs*.

Bikinis

She said: "I think the difference is that with this show you have loads of different groups of people."

"It's a mixture of the other reality shows rolled into one."

"And we are all parading around in our little bikinis!"

Natalie, now 34, is married to nightclub tycoon Paul Richardson.

is AVN it large!

BRIT porn stars made their mark on the 2018 AVN awards in Las Vegas last weekend.

The prestigious event is the biggest awards show on the adult movie industry calendar.

And this year hardcore porn queen Jasmine Jae became the first ever Brit to win Female Foreign Performer Of The Year!

And her pal Ryan Ryder landed Best Male Foreign Performer Of The Year, too.

Jasmine has been making a name for herself on a global scale over the

past couple of years, with her scenes getting more intense.

Top UK site www.TelevisionX.com has the busty babe's first ever UK double penetration scene available in full, uncensored hardcore action, capturing the moment she knew that she had the potential to become a true superstar in the business!

It's great for the Brits to represent at the American-based AVNs.

But just over the horizon is the return of the biggest UK porn awards, the SHAFTAs.

Keep your eyes peeled for upcoming news on British newcomers!

The Bulger Killers: Was Justice Done? – C4, 9pm

THE abduction and murder of two-year-old James Bulger in February 1993 by 10-year-olds Robert Thompson and Jon Venables is a crime that continues to have an impact on British life.

In this documentary, key individuals involved in the trial are brought together for the first time in 25 years to debate whether justice was truly served.

It includes excerpts from police interview tapes, footage from the time and other interviews to examine the press, public and political influence on the case.

OF THE TELLY

By **BARNEY SAMUELS**

Can Eyeties nick a win?

Live Six Nations Rugby Union: Italy v England – ITV, 2.15pm

EDDIE Jones's England start their Six Nations defence as they try to win their third successive title.

The sides experienced contrasting fortunes in last year's championship, with Italy losing all five of their matches for the second year running, and England retaining the title.

Presented by Mark Pougatch, with commentary by Nick Mullins, Ben Kay and David Flatman, analysis by Jonny Wilkinson, Clive Woodward and Lawrence Dallaglio, and reports by Martin Bayfield and Marco Bortolami.

Endeavour – ITV, 8pm

NEW series. The newly promoted Det Sgt Morse investigates when a famous international thief tries to steal a Faberge egg from an auction. The case leads to the gruesome murders of an academic and a gangster, and Morse is convinced the deaths are the work of the same man.

As he struggles with his new responsibilities, he's forced to mentor a younger partner (played by Poldark's Lewis Peck).

Maltese: The Mafia Detective – C4, 10pm

NEW series. Italian crime drama following a detective, bearing the look of a young DLT, who returns to his home town in Sicily for the first time in 20 years to attend his best friend's wedding, only for the happy couple to both be gunned down before his eyes.

He takes on the case himself, leading him into a struggle with the Mafia, whom he is convinced are behind the attack – not a massive leap in deduction given where he is.

However, an article in a local paper points to a more personal motive.

In Italian, but still a gripping bit of viewing.

TUESDAY

Match of the Day Live, The FA Cup: Swansea v Notts County – BBC1, 8pm

THE fourth-round replay from the Liberty Stadium, where the Premier League outfit host the League Two side.

The Swans required a replay in the previous round to overcome Wolves, which they eventually managed via a 2-1 win in front of their own fans, something they'll be looking to emulate this evening.

For the Magpies, this match is a just reward for their performance in the second half of the original encounter at Meadow Lane. The winners will progress to a fifth round contest away to Sheffield Wednesday.

QE2: The World's Greatest Cruise Ship – C5, 8pm

FIRST of a two-parter about the QE2 liner which was one of the most influential maritime designs in British history.

Featuring interviews with the QE2's crew and the workers who built her, cameras reveal the story behind the strikes and the looting epidemics that almost spelled the end of the ship before she was even finished.

DON'T MISS THIS!!!

Live Winter Olympics 2018 Opening Ceremony – Friday, BBC1, 10.30am

CLARE Balding presents coverage from PyeongChang, in South Korea as the 23rd staging of the Games is officially declared open.

Following a performance produced by the tournament organisers, athletes from the countries competing will file into the Olympic Stadium along with a contingent of Russian athletes who have applied to compete under the flag of the International Olympic Committee.

THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I'M 20, and last week I began shagging my Dad's ex-girlfriend after they split up. I went round to her place after my old man asked me to pick up some of his stuff.

She opened the door wearing a nightie. My rod stirred immediately. She could see my excitement and dropped to her knees, taking my cock in her mouth and sucking gently but firmly. I groaned as her mouth brought me to orgasm while her fingers gently probed my bum.

She then bent over and I lapped her moistness for all I was worth and in no time at all she was wailing in pleasure. I called a halt to it at that time as I got guilt pangs over my father's relationship with her. Am I in the wrong or should I see her again as we both said we'd like it to continue?

DO, Derby

Ashleigh says...

YOU'RE both old enough to make your own decisions but it may hurt your dad's feelings. I'd keep it quiet.

Dear Ashleigh,

MY new girlfriend's preference is for circumcised men – and after a lot of discussion she convinced me to go ahead with an op.

She got the brochures, selected a private clinic, accompanied me to the meeting and paid for the whole thing. I felt no pain or discomfort and within five weeks all my stitches had dissolved and I was sexually active again.

I feel much better for it and wish I'd done it years ago. My penis looks neater, tidier and my girlfriend says much tastier!

In fact, since the op we've not stopped shagging. My girlfriend can't wait to get my cock out as soon as I come home from work.

Would you recommend the op to all men?

KA, East Sussex

Ashleigh says...

SO long as a cock's clean and tidy, all is well!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week ASHLEIGH GEE has been reading through your letters and emails. Here's her advice...

Are we odd for liking titw*nks over full sex?

Dear Ashleigh,

MY girlfriend is a stunna. She's 25, blonde and has fantastic 36DD breasts.

We met while I was on a night out. We hit it off straight away and once we got back to my flat we had a couple more drinks and started getting heavy on the sofa.

Soon we were both naked and I almost fainted when I gazed at her mouthwatering tits.

Ripe

It wasn't long before I was sucking on one of her ripe pink nipples as she played with my dick. Then I got her on all fours and thrust into her from behind.

Before long she was howling in delight but I'm afraid that I climaxed rather too soon.

However, she went down on me and I was soon rigid again.

This time she lay on her back and put her legs on two stools, allowing me to get really deep penetration.

She was soon screaming again and this time it was her who reached a premature orgasm. I carried on pumping away for a few minutes until I came, too.

We lay in each other's arms and after a while she lay on her back and got me to sit on her stomach.

She cupped my erect knob between her giant tits and squeezed them together. As she did so I began to push in and out and I was soon on the verge of shooting my load again.

I only just managed to pull myself away before spurting my love-juice over those gorgeous breasts.

Now when we meet I shag her boobs at least four times in every session. In fact, I'd rather screw her tits than her fanny and she's happy for me to do this.

Do you think we're odd?

DP, Birmingham

Ashleigh says...

NOT in the least. If you're both happy, then go for it.

Dear Ashleigh,

MY husband – to whom I have been fairly happily married for 15 years – has been going out nearly every night for several months. I became suspicious and rifled through his pockets – and found photos of a naked woman doing all sorts of things with sex toys.

At first he told me they belonged to a mate at work but finally he had to admit that the woman was a prostitute. He said he had been paying £50 a session to do these and other things while he sat in a chair taking photos and cracking one off.

He says he only went to her because I am not interested in sex any more, which, to be honest, is true. But even so I feel betrayed. Should I leave him, or somehow try to patch things up?

CW, Staffs

Ashleigh says...

Start enjoying sex again, or he'll leave you.

OOOOH... that's a lovely rhythm. Yes, you certainly know what you're doing. Hang on, Betty. Where the f%&k are we? I can't see the mainland!

Don't ask me! Who's steering this thing?

**SQUELCH!
SLOP! SLAP!**

Bollocks! Don't tell me we've been drifting for two days and no-one's been steering!

Ashleigh says...

DON'T worry readers! Flem and Betty were rescued by the Royal Navy, just off shore from Crete!

Originally from Bucharest, Romania, Adrianna is now living in Reading, Berkshire, and is fiercely protective of her new home town.

She said: "Some people say rude things about Reading but you should see Bucharest on a rainy February afternoon."

ALL THE BIG CHAMPIONSHIP ACTION

Aston Villa **3**
Burton Albion **2**

BURTON stay rooted to the bottom as Villa kept hot on the heels of second-placed Derby.

Villa dominated and Scott Hogan fired home with a close range shot and they doubled their lead after the restart when Adomah headed home a Snodgrass cross.

El Mohammedy scored an own goal to pull one back before Jack Grealish restored Villa's advantage before Boyce scored at the death for Burton.

Derby County **3**
Brentford **0**

DERBY kept pace with Wolves but this game hinged on the sending off Brentford's Canos who was sent off for a bad foul on Olsson.

Tom Huddlestone then put the Rams ahead ten minutes later with a shot into the top corner and that was quickly followed by a second through Cameron Jerome.

Sam Winnall was brought down for a pen that Vydra put away in the final minute.

Fulham **2**
Nottm Forest **0**

THE Cottagers moved into fifth with their fourth win on the bounce.

Despite dominating the first half it was Forest's Matty Cash who had the best effort of the half saved by goalkeeper Bettinelli.

Joe Worrall headed against the post for Forest and Ryan Sessegnon went close for Fulham before Lucas Plazon put the hosts in front and Stefan Johansen settled matters with a 90th minute strike.

Norwich City **1**
Middlesbrough **0**

BORO slipped up to fall six points behind Bristol City in the final play-off place.

Tony Pulis' men looked the better team until Rudy Gesteira received his marching orders for a foul on Grant Hanley.

The Canaries went in front on half-time through Tom Trybull's long range effort. Norwich continued to press their advantage with Oliveira going close.

Preston NE **2**
Hull City **1**

PRESTON recorded their first home win of the year to go within three points of the play-offs and leave Hull in the bottom three.

The Tigers opened the scoring through Jarrod Bowen but Greg Cunningham headed home for North End.

Alan Browne scored what proved to be the winner from the spot after a foul on Billy Bodin right on half-time.

Hull rarely threatened after the break.

RED END HITS LEEDS HARD

HAPPY: Warnock

OFF: Berardi was dismissed right on half-time

Berardi gets marching orders as Cardiff cruise

TEN-MAN Leeds were given a home hiding by Cardiff.

The Bluebirds were already well on top before Gaetano Berardi saw red on the stroke of half-time.

It's the fourth time in five games that the Yorkshire-men have been reduced to 10 men.

Neil Warnock's men went in front after just nine minutes. The home defence failed to deal with a corner and Callum Paterson was free to score from Armand Traore's cross.

Junior Hoilett doubled the lead on 41 minutes after Leeds had missed a few good chances of their own.

The biggest came when

Leeds United **1**
Cardiff City **4**

Ezgjani Alioski forced a point-blank save from Neil Etheridge in the Cardiff goal.

And Hoilett rammed home the advantage when he tapped in from close range.

New signing Gary Madine was fouled by Berardi just on the interval, bringing about a second yellow card.

Cardiff captain Sean Morrison headed in the resulting free-kick in the fifth minute of added time.

Sol Bamba gave Leeds some hope with a daft own goal but the 10 men could never muster much of a challenge. Any idea of a comeback

ended when Anthony Pilkington scored from close range in the dying seconds.

The home fans turned their anger on boss Thomas Christiansen, who knows he faces a battle to save his job.

He said: "I can understand the fans, they can come with their opinion."

"It's tough, it's sad and disappointing."

"You feel a little bit impotent that you can't finish the game with 11 players."

"We all want the best for Leeds. At least I give my best."

"We know that my situation depends on the results, on the chairman, on Victor and on what they think is best for the team."

TAP-IN: Anthony Pilkington

Queens Park Rangers **1**
Barnsley **0**

THE Hoops moved 10 points clear of Hull who occupy the last relegation place as Barnsley drop right into trouble.

Former Tyke Josh Scowen sealed the win with a superb strike from 25 yards after picking up a weak clearance and curling the ball home.

Barnsley rarely threatened despite being thrown a lifeline when sub Ryan Manning was sent off for a bad foul on Matt Mills.

Reading **0**
Millwall **2**

THE Royals are left looking over their shoulder after this defeat to Millwall who fully deserved the three points.

A goalless first half saw little in the way of goalmouth action and Millwall despite dominating had to wait for their opener from Mahlon Romeo's deflected cross.

That was quickly followed by Lee Gregory's finish for his sixth of the season from a Morison centre.

DOUBLE JOY: Jota

Sheff Wed **1**
Birmingham **3**

BLUES won this bad-tempered game that saw the Owls end with nine men.

David Davis put the visitors in front after eight minutes and Jota then pounced to double the lead before

Wednesday striker Matias was shown a straight red for an off-the-ball incident.

Jota put the game beyond doubt in first half injury time. Lucas Joao pulled one back before Daniel Pudil got his marching orders.

Sunderland **0**
Ipswich Town **2**

THE Black Cats started well but once Ipswich went in front all the fight was taken out of them.

Joel Asoro dragged his shot wide for the hosts and Martyn Waghorn hit the bar for Town before Joe Garner finished cleverly in the box.

The lead was doubled right on half-time through an Adam Matthews own goal.

Ipswich remain 12th a place above Norwich on goal difference while the home side struggle.

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

CHECKED OUT: Darts girls

RIP IT UP AND START AGAIN!

TRANSFER deadline day can do strange things to a fan.

When a Bolton supporter found out that their star striker Gary Madine had been flogged to Cardiff he tweeted a video of him cutting up his season ticket card.

He was keen to prove it was the real thing by flipping it over to show both sides but, as an eagle-eyed tweeter noticed, his scissors didn't go through the bar code on the card - which means he can still use it!

Ah the old empty gesture of binning your season ticket in disgust and then quickly retrieving it - but with a modern day twist...

Also on Twitter last week was an altogether more touching story.

A Norwich fan posted the sad news that his wife had recently passed away.

They were clearly both big Canaries fans and within a few hours tributes and messages of sympathy were flooding in from the club and media figures.

One in particular that really stood out was from Norwich star James Maddison (pictured) who was quick to get in touch with the fan via Twitter and offer both his condolences and any support he wanted. It's always good to see the football family look out for each other - especially on social media.

Hot sporting topic of the moment is women in sport. After the FDC announced they were scrapping walk-on girls at the darts, Formula One quickly followed suit by getting rid of the pit girls.

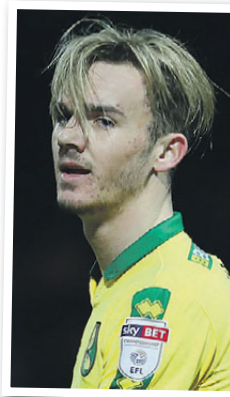

I have just a couple of points to make on this latest bit of virtue signalling: firstly, isn't the fact that you're taking someone's job away from them without any consultation more draconian than the 'objectification of women' argument? Also, if this is striking a blow for the correct and proper treatment of women, I suppose they'll be cancelling the Abu Dhabi and Bahrain Grand Prix as part of this protest?

Nope, didn't think so. Oh, and if I hear one more comparison with a model walking alongside Michael Van Gerwen or walking around the pits at Silverstone with Harvey Weinstein and the #metoo campaign I'll be dressing up in Mrs Merv's finest clobber and chaining myself to the Ally Pally gates.

FACT HUNT

Last week I asked: Which eight English cities can have derby matches? The answer is: London, Liverpool, Birmingham, Bristol, Nottingham, Sheffield, Manchester and Stoke.

This week's Fact Hunt is: Who is the only player to have played for England, England B, England C and the England under 21s. Answer next week...

Baggies adrift as Saints nick win

West Bromwich **2**

Southampton **3**

SOUTHAMPTON grabbed their first win in 12 games to keep West Brom stuck at the bottom of the table.

The Saints move out of the relegation zone after just edging this six-pointer.

West Brom had a tribute to former great Cyrille Regis on their shirts – and they needed some of his quality from their strikers.

It started well for the Baggies as Ahmed Hegazi headed home a corner just four minutes in.

Southampton levelled before the break thanks to a cracker from Mario Lemina. He walloped the ball past Ben Foster from 20 yards out.

And the visitors' half-time cuppa tasted all the better after Jack Stephens headed them ahead just before the break.

The points were wrapped up when James Ward-Prowse made it 3-1 on 55 minutes. It was a classy free-kick finish from just outside the box.

Salomon Rondon gave the home side hope by heading home with 18 minutes to go.

Painful

Daniel Sturridge was poor on his first start since his loan move from Liverpool and Southampton escaped with the points.

Baggies boss Alan Pardew wasn't happy, saying: "It's a painful one because Southampton looked like they had a little more energy and fresher players in the middle which showed."

"We had players who had been playing two games in three days and looked a little leggy and it was unlike us to concede through two set-plays."

"It was a shame because it was a special day in a lot of ways but not a special result and no matter how much we huffed and puffed we just couldn't get back into it."

"Our fans will want to see something from us, we have a tough game against Chelsea and then a run of games where we have a chance to correct our position."

Saints hero Stephens was understandably much happier.

He said: "We need to keep going now, there's no point in coming here and getting a big three points without pushing on."

"It's up to us to get out of trouble."

WITH HIS SPORTING ODDS AND ENDS

SALAH SO GOOD: The Liverpool hotshot takes on Spurs' finest

IT'S HARRY v MO

LIVERPOOL entertain Spurs in today's late kick-off in the game of the weekend in the Premier League with the Reds keen for revenge having lost the reverse fixture 4-1 at Wembley back in October.

The Reds have lost just one of their last 23 home Premier League games against Spurs, however, and are unbeaten in their last 14 in the league.

I expect to see Jurgen Klopp's side keep the points in what promises to be an open entertaining clash between two quality sides.

Liverpool are 21/20 to win with BetVictor and back up their victory at Huddersfield when Jurgen Klopp was able to welcome back his captain Jordan Henderson.

The game sees the two leading scorers Harry Kane (21) and Mo Salah (19) go head-to-head and their battle for the Golden Boot is one of the subplots in what should be another fantastic advertisement for the Premier League.

Salah is 22/5 at BetVictor to

Battle of goal machines at Anfield

open the scoring and 11/10 to find the back of Hugo Lloris's net at some time during the 90 minutes.

The Egyptian has scored his nineteen PL goals in 24 games and the record for the fastest ever to 20 PL goals for the Reds currently stands at 27 games held jointly by Fernando Torres and Daniel Sturridge.

Jurgen Klopp is unbeaten in his last 12 home PL games against the "big six" and I expect to see a quality contest with the Reds taken to confirm their excellent recent record against Spurs at Anfield.

Crystal Palace entertain Newcastle in the early kick-off and the Eagles have not scored a single goal against the three newly promoted sides so far this season.

Christian Benteke scored the opening goal at West Ham earlier in the week and it is fair to say the

striker is due a goal at Selhurst Park having played 780 minutes and had 22 shots without a goal in front of the Palace fans in the PL this term.

Palace – who have only lost one of their last nine PL home games – are 21/20 to keep the points and they can edge it with the recommendation a 2-1 home win at 17/2 with BetVictor

★ Nicky Henderson has a strong hand at Musselburgh with Claimantakinforan (2.00) having his Supreme Novices' prep and Mr Whipped (2.35) impossible to oppose in the Albert Bartlett Trial.

If there is no further rain By The Boardwalk (3.45) can run well for Kim Bailey in the staying handicap chase and at Taunton I hope to see Vocaliser (2.15) follow up his recent course win stepping up in trip by a quarter of a mile.

Across the Irish Sea and

day two of the Dublin Festival at Leopardstown and Samcro (1.50) steps back in trip for Gordon Elliott in the 2m Grade 1 Novice and the unbeaten six-year-old is considered something quite special by connections.

The 2m 5f Grade 1 Novice Chase is one of the races of the weekend and it is fascinating to see Henry De Bromhead give Noel Fehily the ride on Monalee (3.00) after he crashed out here at Christmas.

This 2m 5f trip is ideal for Snow Falcon (10/1 with BetVictor) and this is a race with real strength in depth but Monalee (7/2 with BetVictor) gets a narrow vote.

I think Our Duke (3.35) is a worthy favourite (3/1 at BetVictor) for the Irish Gold Cup in a race that is not as it says on the tin given Gold Cup winner Sizing John and Coney Island miss the race.

WINNER: Mousset scores

Howe did we win that asks Eddie

Bournemouth **2**

Stoke City **1**

BOURNEMOUTH boss Eddie Howe paid tribute to his players after they came from behind to beat the Potters.

The Cherries sit in the top half of the table thanks to second-half goals from Joshua King and substitute Lys Mousset.

Dean Court had been silenced when Xherdan Shaqiri put the visitors in the lead after just five minutes.

Howe said: "Today wasn't a great performance but we had to dig in. We've done that a lot lately so that's a good sign for us."

"We struggled to get into it, we've got to give Stoke credit for that."

"But the key thing is we didn't concede two goals. We backed ourselves in the second half and I'm delighted with the way we came back."

It was the Potters' first defeat since Paul Lambert took over from Mark Hughes and the Scot thinks his side should have won at least a point.

Ricochet

He said: "We should have got something out of the game, I would have been disappointed with a draw."

"We looked great for 70 minutes. The equaliser I can understand because it took a ricochet off Joe Allen but the second goal wasn't good. That's the one that hurts us."

"The lads know they played well. That's the positive. We did well with and without the ball but that second goal wasn't good."

It all started so well for Stoke. Shaqiri had already had one effort cleared off the line before he headed home a cross from debutant Badou Ndiaye.

The Cherries had their own effort cleared off the line before Jack Butland did well to stop shots from Junior Stanislas and King.

It looked like a frustrating afternoon until the Norwegian equalised with 20 minutes left.

His low shot was too hot for Butland who couldn't get down quickly enough to keep it out.

And the winner came soon after. Mousset got his first goal in the top flight when heading home Jordan Ibe's free-kick to dump Stoke back into the bottom three.

SPOT OF BOTHER:
Sanchez gets the rebound

SANCHEZ HITS THE SPOT

First goal for Alexis

ALEXIS Sanchez opened his Manchester United account in a simple win over Huddersfield.

The Chile ace hit the target after the break — but only after ‘missing’ a penalty.

He won himself a spot kick and then scuffed his low shot enough for Jonas Lossi to block it. But the rebound came back to Sanchez and he dinked the ball home.

There was a sombre atmosphere before kick-off as tributes were paid on the 60th anniversary of the Munich disaster.

It had looked as though United could be in for a frus-

By PAUL THOMAS

trating afternoon as the Terriers kept them out in the first half.

Then the opening minutes of the second period looked like a game of attack against defence and it was inevitable that the home side would score.

The goal came 10 minutes after the break and it took a well-worked move to break down David Wagner’s men.

Nemanja Matic picked the ball up in midfield and played a nice pass to Juan Mata.

The Spaniard found some space out wide and measured his cross well for

Romelu Lukaku to turn the ball home at the near post.

It was the big man’s 19th strike of the season — but it will do little to change the muttering about him only scoring against the lesser teams.

Dropped

Jose Mourinho raised eyebrows by leaving Paul Pogba on the bench and he came on just after the hour mark.

The Frenchman trotted on just before Sanchez won his penalty after Michael Hefele brought him down just inside the box.

After making it 2-0 at the second time of asking, United dropped the pace a

little with the points in the bag.

Pogba made his first impact on the game with 16 minutes left as he tried to beat Lossi from distance. It never seriously threatened the Huddersfield goal.

Anthony Martial replaced Lukaku shortly afterwards with the Belgian getting a warm reception after his fourth goal in six games.

That was the most interesting thing to happen as the game petered out in the final 10 minutes.

Huddersfield drop into the bottom three and it looks a long road to safety for a team that lacks any goal threat. They had no shots on

target through the game and carried little threat.

Mourinho was happy with the win. He said: “It was nice for Alexis Sanchez to win a match, the first at home.

“Nice for him to play well and show the desire and happiness in playing football. That is most important. It was not the goal of his dreams, but it is a goal.”

And the United boss was happy to win on such an important anniversary.

He added: “The club looks at the date and event as a key moment in the history of the club. It is nice to do that playing at home and winning.”

Missing Mahrez hurts Foxes

Leicester City **1**

Swansea City **1**

RIYAD Mahrez was nowhere to be seen as Swansea grabbed a precious point at the King Power.

The Algerian is not happy about his deadline-day move to Man City falling through and hasn’t returned to Leicester since.

Harry Maguire says there is a way home for the wantaway ace.

He said: “The boys will welcome Riyad back and he’s no doubt one of our best players.

“It’s for him, his agent and the club to deal with, but we would welcome him back.”

On the pitch, Jamie Vardy opened the scoring after 17 minutes.

He combined well with Kelechi Iheanacho who nutmegged two Swansea defenders with one sweet pass.

The home side had a host of chances to secure the points before the interval.

Luck

Alfie Mawson did well to knock an Iheanacho shot off the line while Wilfried Ntidi had a goal chalked off for offside.

Swansea rode their luck and boss Carlos Carvalhal must have been throwing the teacups because they looked a different team in the second half.

Federico Fernandez squared the game on 53 minutes by heading home a well aimed Ki Sung-young corner.

Leicester came back swinging and really should have sealed the win as the visitors understandably decided to hold on for a draw.

They sit outside the bottom three thanks to this point.

Fousseni Diabate and Demarai Gray both missed good chances, while Maguire could have done better himself when given a sight of goal.

The England defender is unhappy to share the points.

He added: “Swansea have shown in recent weeks they can pick up points playing that formation.

“We’re disappointed because we had enough chances to score more than one goal.”

SEAGULLS FLY PAST HAMMERS

BRIGHTON took a giant step towards survival with a battling win over the bruised Hammers.

The Londoners are struggling with injuries and noticeably as Albion took control in the second half.

The game kicked off in a nervy atmosphere at the Amex as the Albion fans knew how important this game could turn out to be.

It didn’t take long for the home side to calm everything down by taking the lead.

Veteran Glenn Murray hit the target just eight minutes in. Javier Hernandez couldn’t

Brighton **3**

West Ham **1**

control a pass fired into him and Albion launched a brilliant counter-attack.

Within three passes, Murray was knocking the ball past Adrian after great work by Anthony Knockaert and Pascal Gross — who made his first big impact on the game.

West Ham almost equalised on 25 minutes when Shane Duffy had to act lively to knock a Sam Byram header off the

line. Up the other end and Brighton had a penalty shout turned down after the ball smashed into Angelo Ogbonna’s arm. It would have been harsh but he did block Knockaert’s shot.

On the half-hour, Hernandez made up for his earlier blunder with the equaliser. He picked up the ball in midfield and linked up with Joao Mario for a one-two that put the Mexican.

He dummed the home defence before smashing the ball in off the bar.

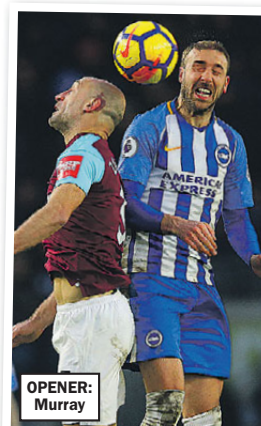

The game changed thanks to a screamer by Jose Izquierdo on

the hour mark. He picked up the ball after a corner and curled the ball into the far corner from the far edge of the box. A brilliant goal and it knocked the stuffing out of the Hammers.

It was no shock when they made it 3-1 with 15 minutes left.

James Collins gave it away this time and was made to pay when Gross picked the ball up and banged it past Adrian from 20 yards out.

He almost scored again seconds later but the keeper pulled off a top stop to prevent it getting embarrassing.

Hodgson: Better to look down on Toon

C Palace v Newcastle

Sunday, 2.15pm, live on Sky Sports

PALACE boss Roy Hodgson admits the roles have been reversed since the last time his side took on Newcastle.

Then the Eagles were sat rock bottom of the table and looking doomed while the Toon were looking more up than down.

The tables have very much turned since then, with Hodgson's boy zooming up the table towards safety, while Newcastle have gone the other way.

The Eagles have been hit with a major injury blow before the game by losing top scorer Bakary Sako for the rest of the season.

But Hodgson is looking on the bright side.

He said: "Things are different from when we last met Newcastle.

"We were so far divorced from safety at that stage and now we aren't.

"It's foolish to think our problems are at an end, we've just given ourselves a chance.

Disappointing

"To concede that late header last time was a major blow.

"We lost a point and gave Newcastle all three. I am expecting a tight game."

Toon boss Rafa Benitez has come through another disappointing transfer window.

Despite assurances, he was given no money to spend on new faces, with only Kenedy coming in on loan from Chelsea along with Sparta Prague keeper Martin Dubravka on a similar deal.

Both players are likely to start at Selhurst Park where Benitez is bracing himself for a battle.

The Spaniard said: "They are a good team with very good players.

"It is a difficult stadium and a difficult place to get points. But we must have confidence we can do it.

"It is very close at the bottom and for us it is another challenge to survive."

Palace can welcome back Mamadou Sakho from injury, while Yohan Cabaye is expected to come in for the crocked Sako, who has broken his ankle.

PREMIER LEAGUE BIG-MATCH ACTION:

Johann keeps cool as leaders fluff a host of chances

JOHANN Berg Gudmundsson stunned Manchester City with a late equaliser at Turf Moor.

The Iceland international struck with eight minutes left to make Pep's lads pay for several missed chances.

Things looked to be going to plan for the visitors when Danilo curled in a screamer on 22 minutes.

And they should have made the points safe well before crashing into the Berg.

Raheem Sterling had an afternoon to forget as he managed to miss the target from just six yards out.

The Clarets took heart the longer the lead stayed at just one goal and

By **MIKE FRANCIS**

could have equalised earlier through Ben Mee and new signing from Everton Aaron Lennon.

It took good saves from Ederson but he had no answer to the equaliser when Gudmundsson smashed home a Matt Lowton cross.

It is just the fourth time this season that City have failed to win in the Premier League.

Burnley have now gone nine league games without a victory but this must give them a huge boost.

Boss Sean Dyche was pleased with the way his side kept battling. He said: "The lads have shown a fantas-

tic mentality. We're on a tough run at the minute — no wins in nine even with that result but that's a big result for us.

"It's a point we just about earned. I say just because Sterling had a great chance but Ederson also made a fantastic save.

Belief

"We've got a lot of injuries at the moment but we have the mentality to force the issue and scored a fine goal.

"We don't lack belief. We've got to add quality and understanding of the Premier League but the collective spirit here is brilliant and that's a

powerful thing. It's a vital cog in what we do.

"We got stronger and stronger and were really taking the game on in the last 15 minutes.

"We're concentrating on the reality of what we are — just trying to build more and more, season by season."

Dyche is delighted with the way the Clarets kept to their game plan even after conceding a relatively early goal.

He added: "City are a top class side. We've been beaten 3-0 and 4-1 by them in our two previous games.

"We had to change something at half-time because they were on top. We didn't really play with the quality

CLASS ACT: Mane

Sadio is still main Mane at Anfield

Liverpool v Tottenham

Sunday, 4.30pm, live on Sky Sports

KOP boss Jurgen Klopp believes Sadio Mane will bounce back from his poor run of form.

The Senegal star was one of Liverpool's best players last season – but has dropped off this term.

While Mo Salah and Roberto Firmino seem to have taken their form to the next level, it has been a struggle for Sane.

Klopp is keeping faith though, saying: "I don't think too much about it, to be honest. Even if Sadio is not at his best, he's still a threat."

"He had the two biggest chances at Huddersfield and didn't score but no problem. You need to carry on."

"I realise good moments, fantastic moments and average moments of players but it's not always you can change it immediately."

"You have to go through, build on the good things and work on the not so good things."

"Sadio on an average day is still a fantastic player – that's the good news."

Walk

"In this season he's had interruptions with injuries and a red card. Not perfect."

Spurs boss Mauricio Pochettino has a new forward in Lucas Moura.

But he's warned the January capture from PSG that he won't walk into the Tottenham team.

He said: "Lucas Moura is an exciting name for our fans and he came from a big club like PSG but it is different from signing Neymar, Messi or Cristiano Ronaldo."

"My expectation is that the player can help us in the next three months but we cannot put too much pressure on him. He needs to adapt."

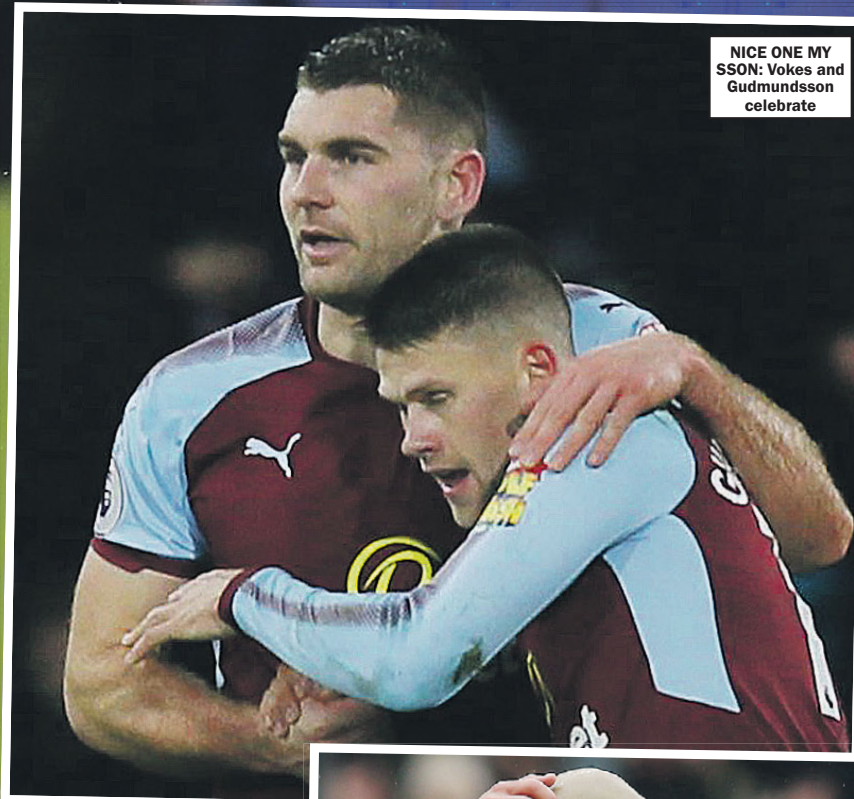

"He needs to get to know the players, the league, a new philosophy, a new team."

"Many players with a lot of quality struggle for six months, a year, to adapt to a team, a club and a new league."

"We don't want to create too many expectations."

We have to be calm about what we expect from him."

needed in the first half. We don't dominate too many games with the ball so we've got to keep our shape. You can't all be glory.

"Not when you're us. You have to do the ugly stuff. But we still have some fine quality and we showed that with the goal."

Direct

"We're not saying we're the real deal but we're working hard to be better than last season and we're doing that."

Guardiola called Burnley "the most British team" and he probably doesn't mean it as a compliment.

He isn't used to watching his side

try to cope with a direct style and was pleased with the defensive performance.

But he admits that his team need to take their chances or risk dropping more points.

The City boss said: "Of course we are frustrated in terms of the result but the performance was outstanding against a Burnley side who are the most British of teams in terms of long balls and the way they play."

"But football is about goals. We needed to score the second, third and fourth when we had the chance."

"When you arrive in the last 15 minutes at Burnley 1-0, this is what can happen. I'm sad for the players

because we played so well through the game."

"What they have done this season, Burnley, is amazing. We controlled the game, but when we arrived in the last minutes at 1-0, there is danger."

City couldn't fill their bench because of injuries and named only six of the seven substitutes.

Sky

But there was still more than enough quality on show to secure another win.

Kevin De Bruyne was pulling the strings as usual but spent much of his time looking up to the sky as the ball went flying over his head to-

wards Burnley's big strikers Sam Vokes and Ashley Barnes.

The Clarets failed to cut out many clear chances but they cashed in just seconds after Sterling had missed an absolute sitter.

The England forward had an open goal in front of him but couldn't turn the ball home from six yards out.

At the time it looked a bad miss and so it proved as Burnley went up the other end.

Lowton fired in a dangerous ball and Gudmundsson connected on the half-volley. The excellent Ederson got a hand to it but there was too much on it and he couldn't keep the ball out.

James: I am going to Liverpool

JAMES Rodriguez will snub a permanent move to Bayern Munich – because he's off to Liverpool.

The Colombian is tearing up the Bundesliga on loan at the Bavarian giants from Real Madrid.

By JOHN ANTHONY

The Germans would like to make it a permanent move at the end of the season.

But Rodriguez has set his heart on a switch to Anfield instead.

The 26-year-old does not want to head back to

the Spanish capital where he was never trusted by manager Zinedine Zidane.

So his super agent Jorge Mendes has put the wheels in motion for his move to Liverpool.

He plays in the same position as Philippe Coutinho and would be

an ideal replacement for the Brazilian who went to Barcelona last month for £142m.

A £70m deal for Rodriguez is expected to be tied up before the World Cup kicks off in June. He is expected to be one of the tournament's stars for Colombia.
